The Search For Truth

Screening and Q&A with Oscar winning filmmaker,
former welfare mother, seasoned activist, and
trailblazer for change,

Barbara Trent

The Panama Deception reveals the untold story of the 1989 US invasion of Panama, the shocking events of the assault, and the true motivations for the invasion, explaining how and why the mainstream media collaborated with the US government to deceive the American public.

A film hauntingly relevant today, Ms. Trent discusses the film as a springboard for analyzing current events, activism, the role of media, and the responsibility and power we all have to create change. She will discuss the interconnections between our unravelling ecosystem, our failing economy, war, peace, and justice.
